

US Sweepstakes & Fulfillment Company

# ONLINE PROMOTIONS

*When it comes to online promotions, we make it very simple to be very effective.*

Everything you used to do when running a "traditional" (hard copy or offline) sweepstakes, contest, or game, you can now do online... only now it's faster, simpler, and less expensive.

In addition to using our turnkey administration services for a random-draw sweepstakes, or our judging expertise for a contest, or even a scratch-off game, we can handle all your Internet-based needs.

**Services Include:**

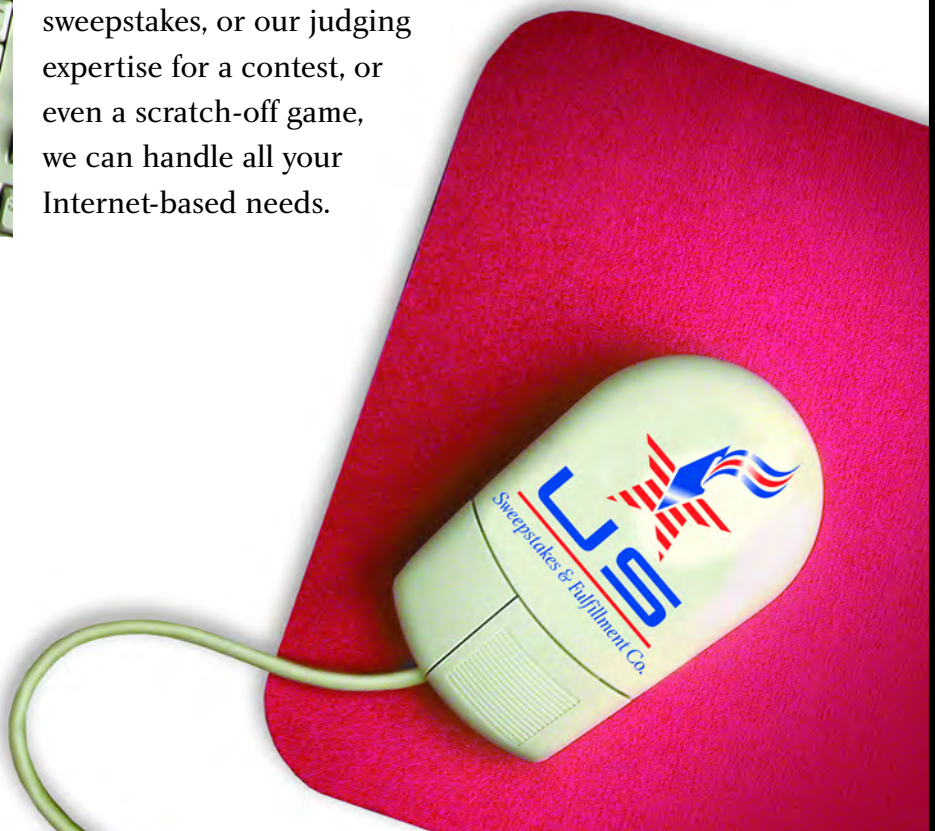

- Creative
- Programming
- Hosting
- Data collection & manipulation
- Outbound broadcast e-mails
- Viral marketing
